Why SCCA?

Time and Cost Efficient Dispute Resolution with Flexible Procedures

ADR is quicker than going to courts to adjudicate disputes. One of the most important priorities for the SCCA is to provide a user-focused environment with clear, fast and flexible procedures. SCCA, therefore, uses the latest case management technology in Arabic and English. Case management services are provided by staff trained to international best practice standards.

Promoting Investments

Arbitration is considered the preferred method for dispute resolution for investors. SCCA's goal is to create a safe environment that attracts both foreign and domestic investment to the Kingdom by eliminating obstacles and difficulties related to ADR between investing parties.

Building National ADR Capacities and Enhancing the Local ADR Industry.

SCCA is developing national ADR capacities by providing ADR services, legal training and awareness events including meetings to connect people interested in the field of ADR with local and international experts.

Confidentiality and Privacy

Users of ADR services enjoy the advantage of private and confidential deliberation in all ADR procedures. SCCA Rules further emphasize the protection of confidentiality and privacy within its procedures.
