Re: 25-790, *New York Football Giants, Inc. et al. v. Brian Flores*

Dear Mr. Harris,

We represent Respondent Brian Flores in the above-referenced matter and write, with Petitioners' consent, to respectfully request a 30 day extension of time to file a brief in opposition to the petition for certiorari. The response is currently due February 5, 2026 and we respectfully request that deadline be extended to March 6, 2026. There is good cause for the requested extension, including several deadlines during the initial response period for the attorneys working on this matter, including, but not limited to: oral argument before the Second Circuit on January 23, 2026 in *Puris v. TikTok, Inc.*, No. 25-322; jury selection and trial scheduled to commence on February 2, 2026 in *Bokhari v. Bokhari*, No. 900064/2023 (Nassau Cty. Sup. Ct.); a motion for summary judgment due February 11, 2026 in *Grand'Maison v. Roswell Park Comprehensive Cancer Center et al.*, No. 23 Civ. 00099 (W.D.N.Y.). The requested extension will provide us with sufficient time to prepare our opposition to the petition.

Thank you for your attention to this request.

Respectfully submitted,
